Entrepreneur: One who creates and grows enterprises. There are six types of entrepreneurs.

Aspiring Entrepreneur: Those who are attracted to the idea of creating enterprises, including young people.

Survival Entrepreneurs: Those who resort to creating enterprises to supplement their incomes.

Lifestyle Entrepreneurs: Those who create enterprises in order to pursue a certain lifestyle or live in a particular community.

Growth Entrepreneurs: Those who are motivated to develop and expand their businesses that create jobs and wealth.

Serial Entrepreneurs: Those who go on to create several growth businesses.

Social Entrepreneurs: Those who create and grow enterprises or institutions that are primarily for public and community purposes.
